WHAT IS THE ALEXIS DE TOCQUEVILLE SOCIETY?

The Alexis de Tocqueville Society was created to celebrate people who demonstrate exceptional philanthropic leadership. The Society is named after the French historian Alexis de Tocqueville, who expressed his admiration of the American tradition of neighbor helping neighbor in his classic treatise *Democracy in America*.

Granite United Way is proud to recognize our local leaders whose philanthropy reflects a deep and sincere commitment to the community.

HOW TO JOIN

Membership in the Society is granted to individuals contributing a minimum of \$10,000 annually to Granite United Way. Of this amount, at least \$5,000 must be designated to United Way, a specific United Way initiative or to one of its three impact areas. Granite United Way's "Step-Up Program" allows new members to make a de Tocqueville commitment over a period of years (typically two to three). This is a flexible giving option that allows you to customize the amount of your pledge.

MEMBERSHIP BENEFITS

As an Alexis de Tocqueville Society member, you can be assured that your donation will have the maximum impact in your community. Granite United Way's Community Impact process holds funded programs to high standards of effectiveness and financial accountability.

- If you have special interests, after you have fulfilled the \$5,000 allocation to Granite United Way, the remaining balance may be designated to any non-profit, 501(c)3 organization(s) and we will forward your designated donation so you can be properly recognized by the charity. As a de Tocqueville benefit, no administrative fee is charged on your designation(s).
- Invitation to Leadership and special events as well as other opportunities to network and meet with other business and community individuals who share a like-minded spirit of philanthropy.
